MANUAL FlexShade® UpLift™

A child-safe, cordless design with easy installation and touch-controlled retraction — no tugging required!

- **FlexShade Uplift** cordless window shade delivers smooth, touch-controlled retraction, easy installation, and a child-safe design — no cords, no hassle!

A light touch on the hem bar lifts the shade, while a gentle pull lowers it.

FEATURES

- FlexShade UpLift offers a sleek, cordless solution for smooth operation and effortless installation.
- Free of hanging cords and bead chains, FlexShade UpLift enhances aesthetics while ensuring child safety.
- A light touch on the hem bar lifts the shade, and a gentle pull lowers it — with no tugging or pulling.
- Simple installation.
- Adjust spring tension without removing the shade.
- For hard-to-reach spaces, an optional Pull-Down Wand adds convenience.
- For interior use.
- This product is fully compliant with the ANSI/WCMA A100.1-2022 standard.

NOTE: Uplift operator should not be used with products or pockets having a bottom closure without written permission from Draper.
